

Maccabi Netherlands presents: “Het Luchtbrug Initiatief” - a new initiative

Maccabi Netherlands has urgently launched a professional campaign to send large quantities of essential goods to the frontlines in Israel. The goods will be delivered directly from Schiphol to the volunteer organization Brothers And Sisters in Arms Israel. <https://youtu.be/L0YdSdm7Crw>

This is not a time to stand by.

Now is the time to act.

Our approach is direct and efficient: We buy the goods directly from manufacturers and wholesalers and immediately send them to Israel after a thorough quality check.

No wasted time, no unnecessary costs.

Why this urgent call?

We ask for action. Your contribution is essential to finance and quickly ship the goods now waiting in factories. Every second counts.

Go to the website www.luchtbrugforlife.nl and donate. The website will soon be expanded with a function for item-specific donations. But the situation does not wait. And that is why your direct financial contribution is now crucial. Tomorrow the first shipment of pallets with the most urgent goods will go to Israel. (see picture)

Show that Israel is not alone in this struggle. Show that the Netherlands is committed to peace, hope and humanity.

Make a donation now, your donation really makes a difference. We make the difference together. Go to: www.Luchtbrugforlife.nl
